

Dear Parents and Students,

We are very excited to teach Cake Decorating this semester. We will be doing lots of fun things including an all out cake day! Cookies and cupcakes will be provided each week EXCEPT on September 24 and October 22. Icing will be provided every week. We hope your child has fun in our class this fall.

The following is required each week:

1. Tip starter kit and all contents (will be provided 1st day of class)
2. Container for finished project
3. Apron or old shirt (optional) to prevent messes

Each week, all tools will need to be cleaned before you enter class. This is because cleaning tools while class is in session takes too much time. If the tools are not cleaned before class, your child will not be able to participate in the days project. This will be strictly enforced. Also all tools, containers, and aprons will need to be plainly marked with your child's name.

On September 24, each child will be required to bring six cupcakes of their choice. If the child does not have their cupcakes, they will not be able to do the project.

On October 22, each child will be required to bring a cake of their choice ALL READY ICED. If the child does not have their cake, they will not be able to do the project.

We look forward to seeing you in the fall!

Anna Goodell and Laura Trapani
