Training, Education, & Apprenticeship Methods

August 6, 2010

Dear Parents,

The Home Run Ministries board members, staff, and teachers are delighted that your student(s) will be attending academic classes with Home Run this year. The following are important dates to put on your family's calendar:

**Friday, August 20, 2010 from 1 PM – 4 PM**—You may consult with our Financial Director, Heather Farrell, in the Home Run Office to pay your tuition and fees. She will have emailed your invoice to you in advance. By taking care of these matters on Friday afternoon, you will save time on Monday, August 23. If you don't have questions about your invoice, you may also mail in your payment so that it reaches the Home Run post office box before Monday, August 23, 2010.

**Monday, August 23, 2010, from 8:30-11:15 AM-- First Day of Classes—At least one parent must attend along with the student(s); free child care for young children will be provided, but call the ministry telephone number (281-360-4910) and leave a message giving your name and the number of young children needing child care the morning of August 24. We want to provide adequate workers in the nursery.**

The schedule will be abbreviated as follows:

**8:30-9:10 AM—General meeting in gym**--Students sit with their own parents.

**9:15-9:40**—Parents and students attend **first period classes**.

**9:45-10:10**—Parents and students attend **second period classes**.

**10:15-10:40**—Parents and students attend **third period classes**.

**10:45-11:15**—Parents and students attend **fourth period classes**.

During the periods when your students would normally be in study hall in the school office or do not have classes, you may see Heather Farrell, our Financial Director, to pay your tuition and other fees. If your student has four classes, you will want to come to school Friday afternoon, August 20, to pay the tuition and book fees or mail your payment to the Home Run post office box so that it arrives before Monday, August 23, 2010. No lunch or study halls will actually be held on August 23, but Wednesday, August 25, will be a regular school day from 8:15 AM-3:05 PM.

In each family packet, I will provide a map on which I will indicate your child's schedule. There will be a calendar showing the dates of classes and holidays for the entire school year; please post that at home where you and the students can all see it, and transfer important dates to your family's calendar. Also included in your family's folder will be a list of teachers, their home telephone numbers, and their email addresses as well as a list of students and their contact information. Please keep these important papers so that you can refer to them as needed throughout the year. You will find answers to many of your questions by checking the website—[www.homerunministries.com](http://www.homerunministries.com) .

All remaining outstanding forms must be turned in **NO LATER THAN AUGUST 23**, including one medical release form per family (**YOU DO NOT NEED TO HAVE IT NOTARIZED**). You can print it off our website at the web address shown below, complete it, and bring it with you if you have not already mailed it to me. The other forms needed in your file are the Participation Form, the Academic Policies Form, and the Registration Form. New families will have also submitted the Admission Form as well as the Pastor Recommendation Form.

We look forward to an exciting year. If you have any questions, concerns, or suggestions, please do not hesitate to email me. May God bless your family's school year. We covet your prayers daily, and we'll be praying for you!

Serving Him,

*Susie Sellner*
