

Dear Parents,

Let me introduce myself! My name is Christina Wheeler and I am the wife to Wes and the mother to 3 precious daughters: Callie (9), Cheyenne (7), and Cierra (5). Wes and I have been married for 11 years (yippee!), and we enjoy being involved in our local church and other activities there. We also LOVE spending time with friends and family and enjoying God's creation in our back yard, bike riding, camping, etc!!!

I am excited to be teaching this year at Super Friday! I can't wait to meet your child and help them learn some new things! Our theme this semester will be Orderliness! We have some great things planned to help your child learn more about recognizing God in all things and growing with HIM!

This semester each student will need to bring the following supplies in a large Ziploc bag with their name on ALL supplies:

- Watercolors with paintbrush
- Scissors (children's, not plastic)
- "Messy Shirt" for painting days (write name on inside of shirt)

I will collect the supplies at the beginning of the semester as we will be using them often.

Also, at the beginning of the semester, I will have a sheet for you to sign up to bring snacks/water for the class once during the semester. I will send a reminder email to you prior to your sign up date! **If your child has any allergies or special needs, please let me know.**

If you have any questions or concerns, please feel free to contact me! Once again, I am excited to meet your student and have a fun learning experience with them!

Sincerely,

Christina Wheeler
