

## Home Run Ministries Book List-- 2010-2011

Revised 7/02/10

**Parents are responsible for purchasing in advance of the beginning of school (August 23, 2010) the books that are printed in bold letters.** The other titles will be rented to your students and billed to your account. Our goal is to be sure that all students are using the same editions of each title to facilitate class discussion and clarity of assignments. Where the books are pieces of literature, HRM has bought as many as possible used copies in good condition of the titles to rent inexpensively to the parents.
