

**Welcome Parents and Students,**

**Hi. I am Sandra Burk and I will be teaching the Jewelry Making class at Super Friday this fall. I know how much fun we are going to have making jewelry. There are a few supplies that you will be needing for this class. You can purchase everything you need at Hobby Lobby or Michaels. Most Sundays, you can get a coupon for each of these stores for 40% or 50% off out of the news paper. If Hobby Lobby is running a coupon for the week it will also be on their website: [www.hobbylobby.com](http://www.hobbylobby.com) If you click on the coupon it can be printed.**

**I am looking forward to teaching your children.**

**See you in the fall,  
Sandra Burk
