

Dear Parents and Students,

Welcome to knitting class! We're going to be knitting some beautiful projects this semester. When you come to class every week, these are the supplies you will need to bring with you.

- **Size 8 single pointed knitting needles**
- **Scissors** capable of cutting yarn
- **Yarn needle** (sometimes called a tapestry needle)
- **Ruler**
- **Yarn**

When buying your yarn, remember a skein with variegated color or a multiple color pattern is better for beginners as opposed to a solid color skein, because the stitches are easier to see and differentiate. Also, remember frillier yarn is harder to work with. Yarns made from polyester or acrylic usually work great. If you're buying your supplies at Hobby Lobby or Michaels, they frequently have a 40% off coupon online or in the paper. Please make sure you mark your scissors and ruler with your name. I can't wait to meet each one of you all, and am looking forward to an awesome semester!

Vivienne Salisbury
