

Welcome to Mother's Day Out! Several Changes are taking place this semester. We will be meeting at the new building and I, Amber Gardner, will be teaching the MMO class. Hopefully I know most of you because I taught all of the Freshman and younger PE classes last semester. I have 2 children, Garrett, 7, and Ashley, 3. My husband of 15 years and I have been homeschooling for the last 3 years and consider it such a blessing to be involved with Super Friday.

I can't tell you how excited I am to be given the opportunity to teach your children. I spent a lot of time in class last semester as my daughter was in there and fell in love with all of the children. I am looking forward to a class filled with lots of reading, songs, learning our colors, letters and number, lots of play time and hugs.

Please note the following information to help things run smoothly:

[\\*Please fill out the MMO information sheet. You may return it to me by email or in person when you bring your child to class.](#)

\* Please bring children to the classroom no earlier than 8:40am . Pick-up will be from the gym.

\* Be sure to bring a snack and drink for your child. Please don't include drinks that could stain or any really messy or sugary snacks.

\* Please make sure your child arrives with shoes, a change of clothes, plenty of diapers or pull-ups, and diaper wipes.

\* All items (bags, cups, snack containers, etc.) should be labeled with your child's name. Please don't bring toys, since they may easily get lost or be fought over! However, your child is welcome to bring any special comfort item he or she needs.

\* The class may spend some time outside if the weather permits, so please dress your child appropriately.

If you need to contact us during class time, please call my cell phone 832-567-5702. I look forward to any suggestions or feedback that you can provide.

Lovingly yours,

Amber Garder
