

Hi there!

We are going to have a great time in P.E. class this semester! Fun games, lots of exercise and team play!

We will be playing kickball, monkey in the middle, basketball, four square and many more games this semester so please be sure that your children wear appropriate play attire to class. No sandals or slip on shoes of any kind, no heels or shoes that interfere with running. I don't want anyone to be injured!

Please be sure your child wears clothing that is modest enough to provide full coverage when running, stretching, playing and doing floor exercises. Loose t-shirts, pants and long shorts are best...please, no extremely tight, short or low cut shirts and of course, no dresses! If your child comes to class in clothing that interferes with play, they will have to sit out of class and I want everyone to have a fun and safe time in class so please check what your child is wearing on Friday morning.

See you there!

Linda Shaw
