

Dear Parents and Speedstackers,

I am so excited to welcome you to the speed stacking class! We will have a great time learning how to stack cups. Sport stacking is an exciting individual and team sport that promotes hand-eye coordination, quickness and concentration. The only thing you will need for class is a set of cups and a good attitude!

The only place to get cups is online. I will be placing a group order so you can get the discounted rate. Go online to [www.speedstacks.com](http://www.speedstacks.com), click on the shop button at the top of the site. It will allow you to click on the group order button. Click on the Students and Parents button and our order is under Texas and Home Run Super Friday Homeschool. You pick what you want, purchase it, and it will be sent to me. I will give it out on the first day of class, Aug. 27. The order will be open from **July 12<sup>th</sup> until Aug. 6 only**. After that, you will have to order on your own and the group discount will not be available. If you need replacement cups, you can do that too.

I look forward to meeting you all!
