

Dear Parents,

My name is Darla Monzon, and I am so excited to be teaching your children this Fall! I am married, and have two children, Avery (daughter, 14) and Freddie (step-son, 14). Our family enjoys sporting events, playing games together, and watching movies, and we are currently helping to plant a church in the area. Avery has been enjoying Super Friday for the past two years, and I am so happy to be able to be a part of it with her this year.

I have about 10 years of teaching experience, mostly with upper elementary and middle school grades in private, Christian education. In the Fall of 2007, I resigned from my teaching job to homeschool Avery. At that time, I opened a registered home daycare and began caring for younger children. I really enjoy being around pre-schoolers and watching them learn and grow through discovery and play!

Your child will need to bring a healthy snack with juice or water each week. Prior to the start of the semester, I will contact you to let you know of any supplies that may be needed. If your child has any allergies or special needs, please let me know prior to the first week of the semester.

If you have any questions at any time, please do not hesitate to contact me. I look forward to meeting you all and your children in August. I am so excited to share new experiences with your children this year! Have a safe and wonderful summer!

Sincerely,

Darla Monzon
