

The Way Wars are Won

Dear Parents and Students,

In this class, we will cover various aspects of leadership, history, and military theory. We will have fun learning strategy and tactics, as well as leadership from history and the Bible, which is extremely important to our slowly eroding nation. All these skills will be exercised through the avenue of a military board game, allowing the students to not only know what they learn, but to apply it. Come ready for a terrific time of learning, growing, and applying.

Thank you for joining this class, and I look forward to seeing you in the spring semester!

*Please bring a small binder in which to keep hand-outs and notes.

Sincerely,

Branson Ruddell
