

Kamie Spain earned a degree in Interdisciplinary Studies with an Emphasis in Secondary Math Education from the University of Houston. Over her teaching career, Kamie taught 7th and 8th-grade math students in public school for three years. She was a private tutor for all levels of students (elementary to college) in various subject areas. She met her husband Jon while she was an Intelligence Specialist in the US Navy. They have been married since 2006 and have been homeschooling their children since 2016. Kamie is passionate about teaching students with special needs as well as students who struggle and lack confidence in math. Kamie is a native Texan who loves to travel and explore the great state of Texas. She hopes to inspire a love of learning and encourage her students to be lifelong learners.
