

Joining Home Run Ministries in 2017, Mrs. Florian loves teaching Algebra 2. She has a BSIS in Elementary Education specializing in Mathematics from Stephen F Austin and an AA in business from Kilgore College. God has blessed her teaching experience by allowing her to serve in the public, private and collegiate sectors. She also has her own private tutoring business helping both public and homeschooled students with Mathematics. She loves her roles as wife to Eric and Mom to Kendal, Bailey, and Karis, and bonus son, Jake who married Kendal in 2019. She has two granddaughters, Lydia born to Jake & Kendal on Oct 4, 2020 and Cecily, born on January 19,2023. She home schooled her youngest for 6 years and seeks God's direction each year for her education. In 2020, God led her to choose public education for Karis which has proven to be successful over the last few years. Above all, she strives to seek Jesus daily and be an example of his light to others.
