

Scholarship Policy

Home Run Ministries has **limited** scholarship funds available for families in need and are awarded on a case by case basis. We do not have the funds for merit-based scholarships.

Scholarships are awarded up to **50% of tuition only**. The scholarship application is available under the documents section of the registration portal. It should be submitted to the HRM Executive Director **AFTER** registering your student(s) and paying the non-refundable registration fee. Only “snail”mailed or PDF emailed applications will be accepted.

The submission deadline for HRM Secondary Academy and Elementary Academy is June 15. The Super Friday fall deadline is July 1 and the spring deadline is December 15. Decisions regarding scholarships will be made by July 5, and January 1, of each year. No late submissions will be considered.
