

Home Run Ministries Elementary Academy Course and Tuition Overview Grades 3-5

Math

- Group A - Suggested Age: 7-10
- Group B - Suggested Age: 9-11
- Group C - Suggested Age: 10-12

The experienced teacher will teach the concepts and provide guided instruction for the parent to reinforce and evaluate the progress during the week. Classes will cover approximately 4 lessons of the ABeka text per week. Math courses will use *ABeka Math* 3,4, and 5 respectively. (60 minutes each) Cost: \$350/year *

Writing/Grammar

- Group A - Suggested Age: 7-10
- Group B - Suggested Age: 9-11
- Group C - Suggested Age: 10-12

Using *Easy Grammar* 3, 4, and 5 respectively, an experienced instructor will teach grammar concepts and paragraph development. Class time will include both group and individual writing, as well as other activities using grammar concepts. The teacher will provide instruction and tools to aid the parent in evaluation. (60 minutes each) Cost: \$350/year*

Critical Thinking

- Group A - Suggested Age: 7-10
- Group B - Suggested Age: 9-11
- Group C - Suggested Age: 10-12

Students who develop critical thinking skills have greater success in math, language arts, and other academic subjects. In Critical Thinking students will develop high-order thinking through activities including similarities and differences, logical thinking, sequencing, classifications and more. The text books used will be *Building Critical Thinking Skills Level 1* (A Group), *Building Critical Thinking Skills Level 2* (B Group), and *The Basics of Critical Thinking* and *Cold-Case for Christianity for Kids* (C Group) (60 minutes each) Cost: \$350/year*

Science/History/Literature Block

Ages 7-12

This block will combine developments in science, world history, and literature based on the subjects covered using experiments, hands-on activities, and dynamic group interaction. Guided instruction and activities will be suggested for parents to use throughout the week. Students must have basic reading and writing skills, and be able to follow directions and work cooperatively with a group. *The Story of the World* by Susan Wise Bauer, *Apologia Exploring Creation* science series texts by Jeannie Fulbright, and various literature based on topics covered will be utilized. (120 minutes) Required lab fee: \$25 Cost: \$700/year*

Tuition and Fees Overview

A registration fee of \$160 is due in full at the time of enrollment.

- **Early registration discounted to \$135 from April through May 31.**
- Registration closes on August 15th.
- ALL REGISTRATION FEES ARE NON-REFUNDABLE
- A \$20 per class deposit at the time of registration will be applied to the tuition payment. Deposits are refundable/credited if a class is dropped before August 15.

* Standard course price reflects \$50 per 1 hour course over 7 month payment plan.

- 1 hour class = \$50 x 7 month = \$350
- 2 hour block = \$100 x 7 months = \$700
- **Courses are discounted if paid in full by July 31 to \$310 and \$620, respectively.**

*Books are not included in the price of tuition. Parents are responsible for purchasing the books needed for their child's class. Additional fees will be applied for dropped classes, returned checks, and late payments. Please refer to the HRM Elementary Academy Tuition and Fees document for detailed information regarding dates, fees and payments.
