

Six years ago, Tara Kelly and her husband, along with their three children, made the move from South Africa to Kingwood. With 21 years of marriage behind them, they now share their home with two teenage boys, an 11-year-old daughter, a dog, a cat, and a bunny rabbit! As a proud member of Woodridge Baptist Church, Tara reflects on her four years of studying teacher education in South Africa, where she taught both third and sixth grades. Beyond the classroom, she expresses her creativity through photography, specializing in portraits of newborns, families, and children. Additionally, her passion for figure skating led her to become a qualified coach, drawing from her own experience as a skater. In her spare time, Tara indulges in drumming, reading, music, and dog walks. She eagerly anticipates joining the Home Run Ministries Educational Program.
